Forward

The purpose of this publication is twofold: (1) It is intended as a general reference aid for anyone interested in researching information data on our provincial elections and by-elections over the last one hundred years. And (2) it is our hope at Elections P.E.I. that any and all persons interested in the province's political history - be they elementary students with school projects to seniors doing family history research - will see Elections P.E.I. as another source for providing historical data pertaining to our political past and present.

There is a wealth of information contained within these pages which spans over our political fields beginning with the General Election of 12 December 1900 and runs right up to the By-Election in District 2 Morell-Bay Fortune on 26 February 2001. This election data has been broken down into six categories to make locating data as accessible to the researcher as possible. These six categories or sections are as follows: (1) Chronological Listing of all Provincial General Elections and Provincial By-Elections from 1900 to 26 February 2001; (2) Provincial General Election Results from 1900 to 2000; (3) Provincial By-Election Results from 1900 to 26 February 2001; (4) Chronological Listing of all Nominated Candidates from 1900 to 26 February 2001; (5) Alphabetical Listing of all Nominated Candidates from 1900 to 26 February 2001 and finally (6) the three P.E.I. Electoral District Riding Maps. These sections provide everything from listing each individual candidate who ran in each electoral district, each candidate's corresponding position and party affiliation as well as their opponents, the district to which he/she was nominated to represent along with the winner and even the number of votes cast for each candidate.

The Office of Elections P.E.I. is located at 180 Richmond Street and consists of three staff members: Merrill H. Wigginton, Chief Electoral Officer; Lowell Croken, Deputy Chief Electoral Officer and Norma E. Palmer, Elections Officer. This document is a natural extension to our office mandate which is to conduct and administer all elections in Prince Edward Island under the *Elections Act* and ensure accountability under the *Election Expenses Act*. Our principle mandate is to inform and enable all qualified electors and candidates to exercise their democratic right and ensure their constitutional entitlement in elections as entrenched in the *Canadian Charter of Rights and Freedoms*. Official election results are available in the Chief Electoral Officer's Reports from 1966 to present and copies are available at our Elections P.E.I. office. The Elections P.E.I. website contains this report as well as other provincial electoral information and the address for this website is www.gov.pe.ca./election.

We hope you enjoy this document. We have tried to be as accurate as humanly possible in presenting this information; however, if you should find an error or omission, please contact our Elections Office so we may continue with our mission of providing accurate political Island information.

P.E.I. Electoral District Riding Maps

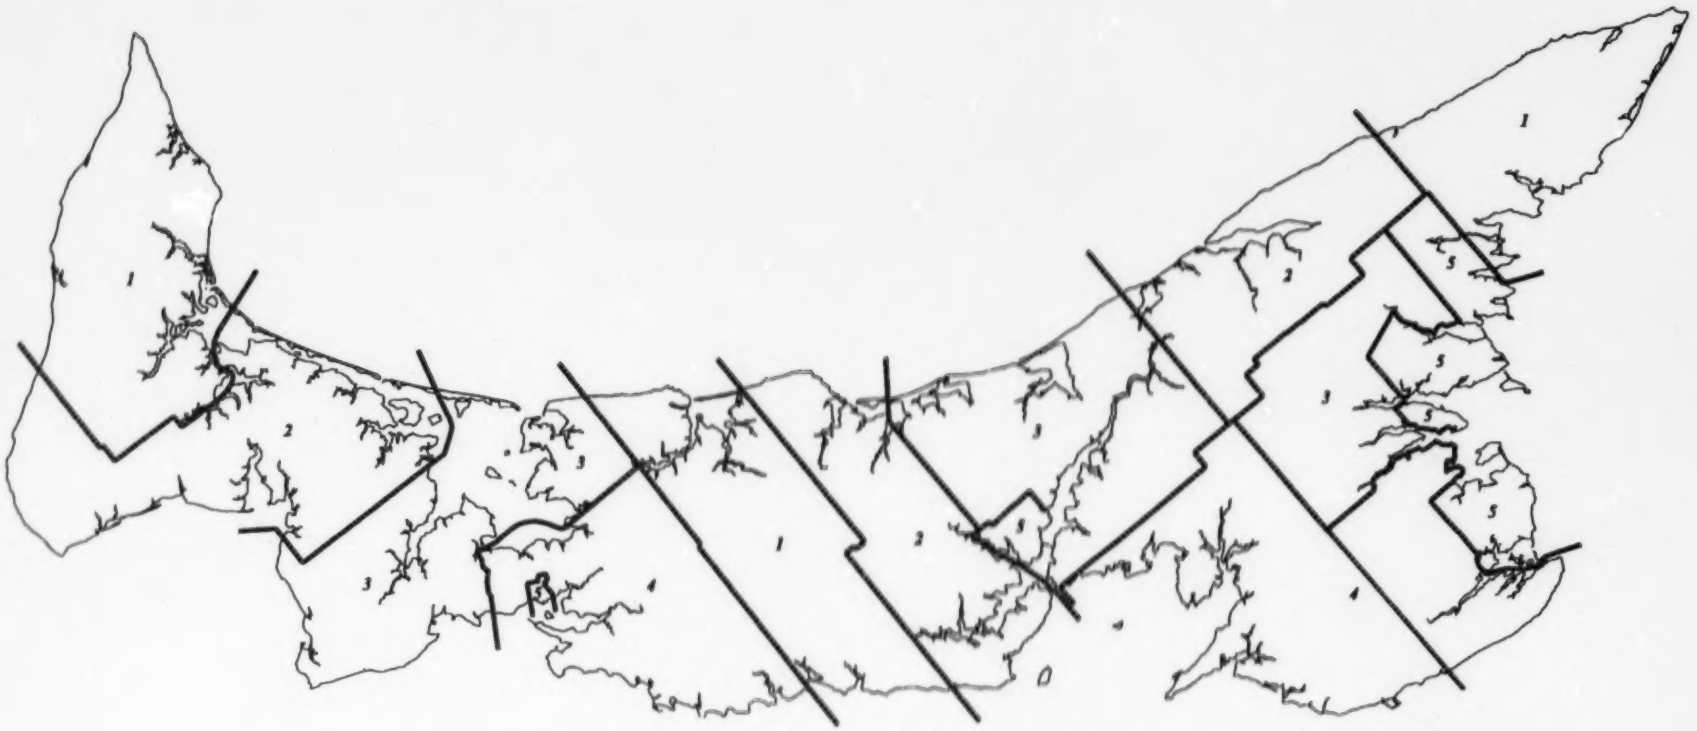
15 Dual Member Electoral Districts (1893 up to 1966)

16 Dual Member Electoral Districts (1966 up to 1996)

27 Single Member Electoral Districts (1996 to Present)

15 Dual Member Electoral Districts

1893 up to 1966 Provincial General Election



In 1893 the House of Assembly and the Legislative Council were combined to form one chamber, the Legislative Assembly. The new Legislative Assembly consisted of 15 dual member ridings for a total of 30 members. This established five districts to each of the three counties.

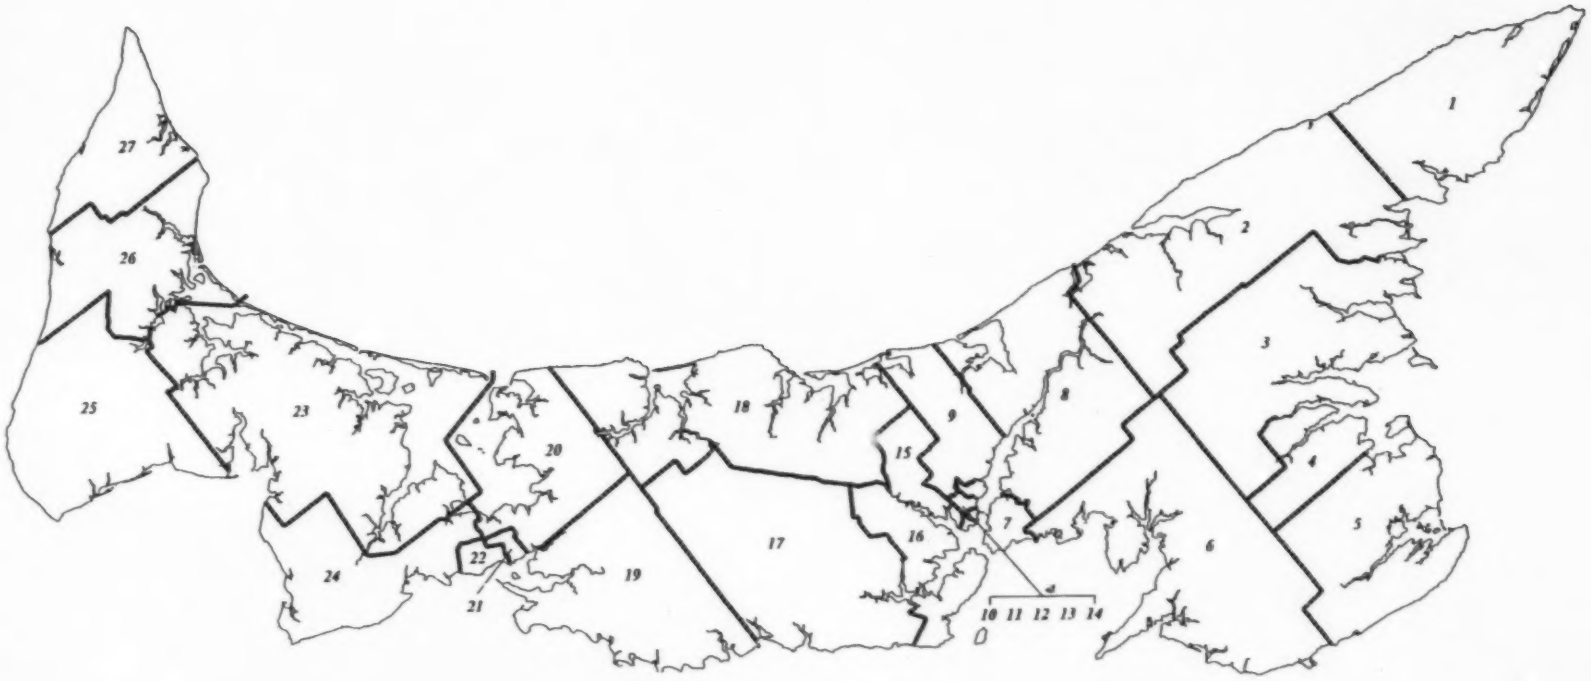
16 Dual Member Electoral Districts

1966 up to 1996 Provincial General Election

In 1966 the Legislative Assembly approved the 16 dual member provincial electoral districts electing 32 members. This came into force through an order of the Lieutenant Governor in Council effective at the time of the issue of the Writ on 16 April 1966 for the general election of 20 May 1966. This change brought about the revision to Fifth Queens (Charlottetown Common and Royalty), dividing that district into two new electoral districts; namely, Fifth Queens and Sixth Queens. This maintained the five districts in Kings County and the five districts in Prince County while establishing six districts in Queens County.

27 Single Member Electoral Districts

1996 Provincial General Election to Present



In 1994 the Legislative Assembly, under the Electoral Boundaries Act, approved the 27 single member provincial electoral districts. This came into force through an order of the Lieutenant Governor in Council effective at the time of the issue of the Writ on 21 October 1996 for the election 18 November 1996.
